Protea Eco-Adventures has designed a training course that is aimed at enabling you to make use of your vehicle in the way that it was designed to be used as a fun, exploration tool! Join us for the day in the Krugersdorp Game Reserve, a mere 80km drive from Maemo where you can get away from the humdrum of life and to get a taste of the new lifestyle that your vehicle will introduce you to!

The best of all is that part of the course is paid for by Maemo Motors, if you bought your Mitsubishi from them – you can then join us for the day for only R 1690-00. Should you wish to bring additional guests, a cost of R300 per adult and R150 per child under 12 will apply. This is just another way that Mitsubishi would like to thank you for your business and show our ongoing commitment to introduce you to new ways in which to enjoy your vehicle!

The programme for the day is as follows:

- 08h45 Registration and Welcoming drinks (Coffee and Tea) at the Pool Venue of the KrugerKloof Lodge.
Come early and enjoy a breakfast at the Moralleng restaurant.
Theoretical discussion on sound off-road principles and the workings of your vehicle's four-wheel drive systems and traction aids. Depart on the first part of the 4x4 orientation section.
This section – and off-road game drive – serves to get you accustomed to the way that your vehicle reacts in various off-road situations. The engaging and the operation of all the four-wheel drive systems and traction aids that your vehicle offers. The aim is to put the morning's theory into practice and to engage the correct four wheel drive system for specific types of terrain. Arrive at the Protea 4x4 Driver Training Facility – a natural figure-eight obstacle course, simulating most of the off-road conditions (water crossings, inclines, rocks, cross-axles etc.) found in Southern Africa designed to practice you're newly gained off-road skills and to test it out yourself. Experience the magic of traction-control or axle/diff lock.
Enjoy Coffee, Tea and a Light lunch at the Protea 4x4 Boma.
Demonstration covering:
- Vehicle Recovery and Eco-friendly off-road driving techniques.
 - Vehicle Accessories, Tyre Selection and Tyre pressures for different types of terrain.
 - Gear and Line selection in various scenarios including water fording, hill descends and ascents as well as cross-axle situations to mention just a few of the breathtaking experiences you will experience on the day.
- 15h00 Handing out of your Protea Certificate of Competency – your certificate can be presented to your short-term insurer in order to qualify for a possible discount on your insurance premium as well as a discount from our list of trade partners.
End of the days programme.
