

Protea Eco Adventures

Conservation Through Utilization

Off-Road Training Academy

For all brands of 4x4, 4x2 and Soft-roader Vehicles

The Protea Off-Road Driver Training Academy is situated in the Krugersdorp Game Reserve and boasts some of the most rugged wilderness areas that Gauteng has to offer, the perfect terrain to introduce you and your family to your new off-roader and the great African outdoors.

Your day will start at 09h00 with coffee and tea at the pool venue of the Ngonyama Lodge, followed by a theoretical session to introduce you to some eco-Friendly off-roading and some sound 4x4 techniques, good 4x4 manners and how to operate the different systems on your vehicle as well as when, where, how to use them.

All vehicles will receive a two way radio, we will then move into the reserve to start practising the theory that we talked about, going through different types of terrain for you to get acquainted with the different 4x4 selections that your vehicle offers. Remember we want to introduce you to the new lifestyle that your vehicle can open up for you if you use it in an eco-friendly and responsible manner.

During this first part of the days training you will encounter lion, zebra, white rhino, giraffe and some of the 34 animal species that this 1 600 hectare reserve offers, during this training on the drive session you will be given important information on off-road driving techniques and bush knowledge.

Once we arrive at the training centre, a practical demonstration will be done on basic recovery techniques, tyre selection, river crossing techniques, off-road safety aspects and all of the possible obstacles participants will encounter in Southern Africa. You will then get the opportunity to drive your own vehicle through our pre-selected training route with all of these conditions, under the watchful eye of our instructors who will be in contact with you via our two way radios at all times.

We will teach you how to enjoy your vehicle and nature without putting your family and your vehicle at risk with as little impact as possible on your surroundings. All this whilst still being able to enjoy nature and the wonderful world that your new vehicle will introduce you to if used responsibly!

Your day will end with a light lunch at the Protea 4x4 boma. No alcohol is allowed during the training course but during lunch you are welcome to enjoy some refreshments, which will be available from the cash bar. The days training will end after lunch when your training certificate of competency will be handed out. These certificates can be presented to your short-term insurer to give you a possible discount on your insurance premium as well as a discount from our trade partners.

The training centre closes at 15h00. Please feel free to visit the rest of the game reserve and the aviary, but you are not allowed of the demarked roads.

Personalised Training

Personalised 4x4 Driver Training is available on request only. Dates for this training will depend on your request. The cost will be R3 650-00 (includes the driver and co-driver). The 4x4/4x2 training is offered on a one-on-one basis and as such provides you with the opportunity to gain the most from the day. Please note that this will only be available during weekdays from 09h00 to 14h00 and includes coffee and tea on arrival with a light lunch at the end of the day. Additional passengers will be charged R300-00 per person. Children under 12 years at R150-00. You and your co-driver will each receive a Protea Off-Road bush shirt with your vehicles logo embroidered onto the shirts. You will both receive an accredited off-road driving certificate of competency to present to your insurer for a possible discount on your insurance premium.

Training Rates

R1 650-00 for the training course. Additional drivers that will be sharing your vehicle and also want to qualify for a driver training certificate will be charged R 1 250-00 per person. An additional cost for all passengers of R300-00 per person will apply. This fee includes the entrance fee to the reserve, coffee, tea, fruit juice and sandwiches for the day and a fully catered bush braai. The cost for children under 12 years will be R150-00 per person.

Extras

Protea Off-Road shirts can be ordered. Place your order when you make your booking. The cost per bush shirt is R350-00 with your vehicles logo embroidered onto the shirt.

██████████	██████████	██████████
██████████	Saturday 29 May 2010	Saturday 26 June 2010
Sunday 25 July 2010	Saturday 14 August 2010	Sunday 12 September 2010
Sunday 17 October 2010	Saturday 13 November 2010	Sunday 12 December 2010

The driver training courses are suitable for all types of off-road vehicles including 4x4's, 4x2's and also soft-roaders (vehicles without low range). The goal of our training course is not to transform you into an unstoppable 4x4/4x2 driver but to set you free from the stereotype lifestyle, to be a responsible and sensible off-road adventurer with respect for nature your vehicle and your fellow off-roaders.

Benefits

Present you certificate of competency that you will receive upon completion of the course and you will be entitled up to a 10% discount on items purchased from our other trade partners. We will e-mail you all a list of all our trade partners and also our 4x4 guidelines information on the days training. You will receive an e-mail on a regular basis with all our forthcoming events, safari tours, weekend breakaways and relevant 4x4 news.
