

# Protea Eco Adventures

## Conservation Through Utilization Product Introduction Days

There really could not be a more idyllic spot for your company to launch a new product range, or for your company to introduce potential buyers to your range of vehicles or to entertain clients than the Protea Eco-Adventures centre in the Krugersdorp Game Reserve.

Believe it or not, this beautiful 1600 hectare Game Reserve is situated just 35 minutes away from Gauteng's Central Business and is home to most of Africa's game including Lion, Hippo, White Rhino, Buffalo, Giraffe, as well as a host of other animal species roaming the reserve and the test track freely in large numbers. The area also boasts some of the most rugged wilderness areas found in Gauteng, with a natural off-road test track that will really put your vehicles through their paces.

The fantastic location and the action-packed day we offer can be complimented with a list of additional activities which are sure to get your pulse racing. Just how much action you want to squeeze into your day is up to you, you let us know your needs and we will plan your day accordingly.

Our standard package includes use of our off-road test track of just over 1.5km mostly over natural terrain, similar to what your product will encounter in Southern Africa, a introduction talk on the vehicles, vehicle demonstration through the course – covering axle twisters, inclines, rocky sections, declines, wooden bridges, traction control, donga with axle twisters, river crossing, river bed with mud and water, steep down hill (up to 35 degrees) section into the river up a rocky path and instructors to assist you over the terrain that the reserve offers. All vehicles will be equipped with a two-way radio for better communication between the instructors on the 4x4 track and the test drivers.

Your day can end with a bush braai, bush potjie or spit braai (see menu) under the open African skies with the roar of lions in the background. Relax around the open camp fire under the open African skies with drinks from the bar.

The standard cost per person includes: venue and instructors fees. At an additional cost; Coffee, tea, fruit juice and sandwiches will be available on arrival at the Pool Venue of the Ngonyama Lion Lodge. A bush braai, bush potjie or a spit braai will be on offer at the Protea 4x4 boma with full bar facility for the function or any extra services that you might require to make your day a memorable event. The following group rates will apply: 1 – 10 people at R 500-00pp; 11 – 20 people at R 300-00pp; 21 – 30 people at R 250-00pp; 31 plus people at R 200-00pp.

The test track is not designed to damage vehicles, but to demonstrate the awesome capabilities of these wonderful machines under controlled conditions with as little as possible impact on nature. Experience the new lifestyle and the freedom that these amazing off-road machines could introduce your clients too!
